Parents requesting an exemption from the guidelines will be required to meet with the Superintendent or his/her designee to discuss the guidelines and the nature of the objection necessitating a waiver. Following the meeting, the Superintendent shall render a written decision, approving or denying the requested waiver. Any exemption from the guidelines granted by the Superintendent shall be limited to the minimum variance from the guidelines necessary in light of the specific, bona-fide religious, medical, or special needs situation, which precludes strict compliance.
