Students are required to take 1/2 cup of fruit or juice for their meal to be considered a full meal and be charged the meal price.

### **Payment Procedure:**

All schools are using the POS (Point of Sale computerized system). It is preferred that parents use the system as it is intended. Any amount of money can be deposited onto your child's meal account, but we strongly recommend the minimum payment be for at least one week's worth of meals and snacks. Payment options include:

For Online payments and/or to view your child's purchases **AND BALANCES** visit [www.myschoolbucks.com](http://www.myschoolbucks.com) to set up your child's account. This link is also available on our district's website: [www.sburg.org](http://www.sburg.org)

For check payments make your check payable to your elementary school's cafeteria (Ex: Morey cafeteria) and add your child's name and ID number in the memo section,

For cash payments please note: Lost or missing money will be the responsibility of the parent. The payment needs to be handed in to the teacher in the morning. The payment will be put on your child's account in time for lunch. This system eliminates the daily cash exchange and it speeds up the lunch line process.

All payments should have your child's first and last name, student ID, and homeroom teacher clearly printed on the envelope.
